

# Woodlands Garden Club Grant Application Guidelines

Each year, The Woodlands Garden Club awards grants to selected elementary, middle and high schools in Montgomery Co. and North Harris Co. to establish or maintain gardening projects. Below are some important dates and guidelines for filling out the grant application.

**April 1, 2025** - deadline for applications

**May 2025** - award recipients notified

**September 2025** - School awards presented in person to schools.

## **Guidelines for Filling Out the Application:**

1. **Applicant Information:** This is the individual that is applying for the grant on behalf of the school's garden program, (teacher sponsor)

2. **School Information:** Please provide a contact name for the school. It can be the same as the applicant's name.

### **3. Description of Project:**

- Brief description of your school garden: physical layout, number of garden beds, types of gardens if applicable (vegetable, herb, butterfly, monarch, flower, native plants)
- Describe your project: What are the goals for this project: List what you hope to achieve by doing your project.
- Brief description of how the funds will be used: list any specific tools, materials or resources you will need to help support your program
- Describe how the students will be involved in the garden (planting, weeding, watering, insect studies etc.)

### **4. Project Participants:**

- List grades, number of students and class or subject involved in the project.

## **Submit application to:**
